

Tenders Called For P.M.C.

At last the long awaited has arrived. This week the P.M.C. Association advertising in the columns of The Star for tenders on construction. The P.M.C. committee are using the Star exclusively for this venture, hoping to secure local contracting firms and possibly in the future an area making plans for a new and recreational room, as well as a permanent roof line. The alterations for the roof line are also to be laid, with the hope that more money will be obtained by the time the roof trusses are ready to be placed in position.

M.D. Prepare For Large Road Program

The Council of the Municipal District of Wainwright No. 61 met in the Council Chamber of the District on Thursday, the 10th of June, 1948, at 9:00 o'clock in the forenoon. Councilors Dulyan, Spencer, Sutherland, Taylor, Bessie Arthur and Archibald present. Rev. Sutherland in the Chair.

Moved by Mr. Sutherland that the minutes of 13th May, 1948 be adopted as written. Carried.

Moved by Mr. Sutherland that the accounts as recommended by the Finance Committee and subsequent accounts passed by Council amounting to \$330.40 be paid.

Moved by Mr. Sutherland that the report of Mr. Taylor re University of Alberta Hospital account and Arnold Stevens be accepted, and that the Secretary advise the Hospital accordingly, Cd.

Moved by Mr. Sutherland that Mr. Dulyan continue as a committee with reference to the Royal Alexandra Hospital account, James McNally and report at July meeting, Cd.

Secretary instructed to write the Department of Veterans Affairs re Mary Glover deceased and the Wainwright Municipal Hospital.

Moved by Mr. Archibald that the accounts of Dr. Middleton for \$50.00 and \$25.00 be tabled for detailed information, and Dr. Middleton be asked to attend this meeting, Cd.

As per the advertisement in the Alberta Gazette, 12th April, 1948, the following parcels of land were offered for sale:

- NW 9-42-1-4
- NW 20-43-1-4
- SE 16-43-2-4
- NW 15-42-2-4
- Pl. NW 18-42-2-4
- NW 22-43-2-4
- NW 22-43-3-4
- NW 22-43-4-4
- NW 22-43-5-4
- NW 22-43-6-4
- NW 15-42-4-4
- NW 15-42-5-4
- NW 20-43-6-4

Lots 25 to 28 Inclusive, Block 27, Plan 1195 A-2, Wainwright Central Park.

No bids received. Sale was declared closed.

Moved by Mr. Sutherland that the appeal of the Canadian Pacific Railway against the assessment of Wild Land on the following land be allowed:

- All 15-43-6-4, Grazing Lease, C. O. Denburg
- All 17-43-6-4, Grazing Lease, D. E. Kline
- 814 33-43-6-4, Grazing Lease, D. E. Kline
- All 25-43-6-4, Grazing Lease, Charles Stewart

Section 4, Sub section N, Wild Land Tax Act.

Tennis Club Active As Second Tournament Is Held

At 1:00 o'clock, Sunday, June 27, tennis enthusiasts of the town arrived to see the draw of the second tennis tournament, men's and ladies' singles. Play began almost at once with the participants either hitting or missing the ball, while other players awaited their turn, and a good number of spectators put the benches near the Legion Hut into good use. The courts have been greatly improved in the last week or two, thanks to the rain and a good rolling.

The prizes in the Men's Primary event went to Sgt. Major Elliot of the Army Camp. Congratulations go to Jimmie Robinson who gave the Sgt. Major a stiff battle just barely losing out. Loda Walker was defeated in the Ladies' Primary event by Audrey Smith. Dot Bond took the Women's Consolation, winning over Maxine Hayes by default. Lionel McLeod won the Men's Consolation, defeating Alvin Coleman, a beginner but doing splendidly.

A small fee was collected from each tournament participant, in order that prizes could be awarded. Play ended about 8:30 p.m. Comments on the day were excellent. A question heard on the way home was "When's the next tournament?" We don't know yet, but we will announce it as soon as it is arranged. —Club Reporter

District Couple Wed At June Ceremony

Poonies and other Spring flowers decorated the "Thomas" Anglican Church at 2:30 p.m. June 29th, when Louise (S.C.) youngest daughter of Mr. J. C. and the late Mrs. Ford became the bride of Mr. Thomas Shaw of Calgary, eldest son of Mr. and Mrs. Thomas Shaw, late of Calgary. The Rev. F. E. Smith performed the ceremony which was fully choral.

Given in marriage by her father, the bride wore a long white sheer gown with a floor length veil held by a wreath of white carnations, a gold brooch and pendant were her only jewelry and she carried a bouquet of red roses and fern, entwined in a silver horseshoe.

Margaret DeLew of Lloydminster was bridesmaid, she wore a floor length pink tulle gown with chapel veil. She also wore a double strand of pearls and carried a bouquet of colored gladioli with fern.

Mrs. C. H. Ford attended the groom as best man. A. Ford and H. Shaw acted as ushers.

Mrs. Wachter presided at the organ and during the signing of the register the choir and congregation sang the hymn, "Breathe on Me, Breath of God."

The reception was held at the home of the bride's brother, following the ceremony. Sister of the bride and mother of the groom received with the bride couple. Mrs. M. Flaxton chose a grey wool costume while Mrs. Shaw chose a black crepe with green tulle, both wore a corsage of red roses.

Pink and white streamers with poodles decorated the room. The bride's table was centred by a floral wedding cake decorated with a silver bride and groom. Mrs. G. Haire and Mrs. F. Ford poured coffee, Mrs. A. Bacon poured tea. The Misses Louise and Joan Haire assisted at the reception. Toasts were proposed by the bride's father and other friends, which were responded to by the groom.

A honeymoon will be spent at Winnipeg Beach and other places east. For travelling the bride chose a grey wool sheath suit with brown accessories. On their return Mr. and Mrs. Shaw will reside on the groom's farm north of Calgary.

Out of town guests were Mrs. Shaw, Mr. and Mrs. J. Arncliffe of Godswick, Mr. and Mrs. Bert Arncliffe of Kinross, Mr. and Mrs. F. Wilson of Lloydminster.

A wedding dance was held in Plaxton School at night when an exceptionally large number of friends and neighbors enjoyed an evening of dancing to the music of Pele's orchestra of Irma until the signs of dawn appeared. Owing to the large crowd in the room at lunch time, the new couple were unable to open the lovely presents which had been brought for presentation to them.

President Smith of the association from Kinross presented

The convention was held in the Masonic Hall and started at 2:30 p.m. The order of the day was to choose a candidate to carry the B.C. banner in the next Dominion election. Only one candidate was nominated, that being Mr. Robert Fair, the local Member of Parliament. Mr. Fair was the unanimous choice of the convention.

Mr. Fair was first nominated and elected to the House of Commons in 1935 as a Social Credit candidate and has been returned to Ottawa in two elections since that time.

President Smith of the association from Kinross presented

Accidental Death, Says Jury at Inquest

The postponed coroners inquest into the death of Mr. George W. Madder resumed on Monday night, June 28th at the Town Hall, Wainwright. Under the direction of Dr. H. C. Wallace, coroner, the inquest was opened and evidence was received from Mrs. J. D. Wallace who arrived at the scene of the accident, and J. E. Maddy who performed the autopsy, the engineer and the fireman of the freight train, as well as the R.C.M.P. detachment from Hardisty who investigated the accident.

After hearing all the evidence which was given in a clear and precise manner, the jury deliberated for approximately 15 minutes and brought in the following verdict:

That the said George W. Madder came to his death on Sunday, June 26, 1948, as a result of multiple injuries, received while driving his 1947 Mercury 1/2 ton truck, proceeding south across a private C.N. Railway crossing 9/10th of a mile west of the Canadian National Railway Station (Alberta) station, where he was struck by a C.N.R. freight, on Tuesday June 15th at approximately 9:14 a.m., according to evidence given.

In our opinion the said G. Madder came to his death through purely accidental circumstances, and that no blame can be attached to any person or persons.

The above verdict was signed by the jury comprising of W. Huntington (foreman), A. Wright, H. Strome, G. Tait, G. Garand, and A. Fraser.

Imperial Oil Farm Night Held In Edgerton

Apart from the educational value of that which they saw and heard last Tuesday at the Imperial Oil Farm Night held in Edgerton, the large crowd that came into town were well entertained also, for the proceedings were an excellent combination of business and pleasure. The local arrangements were in the hands of Mr. J. Steele, of Steele's Sales and Service, who sponsored the event.

Four ladies' prizes were awarded for the event and three for the gentlemen, won by Jimmy Little, Guy Gibson and Clair Fenton. Elsie Nowak also received a prize for her part in the proceedings.

At the close an excellent lunch was served to all present.

The brief submitted to the Government is as follows:

Masonic Lodge Hold Installation Ceremony

Brother Macons of Buffalo Park Lodge No. 44, Wainwright, held their joint annual installation of officers ceremony Thursday last, June 24th. Sixteen visiting Macons from Graton Lodge No. 144, Irvine, were in attendance at this meeting, and also installed their officers for the coming year.

Following the lodge meeting, the visitors were guests of the Wainwright lodge at a buffet style banquet held in the Wainwright Hotel Restaurant. Mr. J. L. Mitchell acted as master of ceremonies at the banquet.

Officers of the Wainwright Lodge for 1948 term are as follows: N. McTear, Master; H. E. Buckle, S.W.; J. M. Mitchell, J.W.; L. L. Barlow, S.D.; J. Kelly, J.D.; R. Mulvey, G.O.; W. O.G.; J. S. Noble, S.S.; W. Alexander, J.S.; H. Kerr, Secretary; D. Pawsey, Treas.; L. Mygland, Chaplain; J. Alderman, D. C.

were elected and the leaders of both parties suffered personal defeat. Both Premier Douglas and Liberal leader Walter Tucker were elected but Resources Minister G. W. Valasek lost to Liberal candidates.

Mrs. Beatrice J. Trew, former C.C.F. member, lost to a Liberal and Mrs. Isabel Paxman, Social Credit candidate, was defeated by the premier.

Edgerton Fish & Game Assn. Bring Competition To a Close

With the ending of the school term the predator control competition for school teams has closed. The first year of the competition has been highly successful, due to the interest of the organizers and the general interest of the young collectors. The results are already apparent; there is quite a scarcity of crows and magpies, more small birds nesting, and while it is yet too early to assess the benefit to the duck and upland game population there can be no doubt of the value of the work done. It is significant that the crows have been so harassed that already they are banding into migratory flocks.

The results of the competition and the team scores are:

1. McCaffrey School Organizers, Mr. J. W. Wilkinson; captain, Garnette Nicholls, Score 1716 points.
2. Edgerton B. Organizers, Mr. G. C. Welch; captain, Dick Welch, score 1108.
3. Edgerton A. Organizers, Mr. G. C. Welch; captain, Victor Tennant, score 729.
4. Edgerton D. Organizers, Mr. G. C. Welch; captain, Bob Ramsey, score 718.
5. Health Organizers, Mr. W. Spornitz; captain Billy Spornitz, score 264.
6. Edgerton C. Organizers, Mr. G. C. Welch; captain, Harry Harrison, score 97.

The 22 rifle, awarded by the Association to the collector of the largest number of eggs was won by Garnette Nicholls, the McCaffrey School team captain, who collected 660 eggs. Two other scores worthy of mention are those of Jack Chasle of Edgerton A. and Stan Aronson of Edgerton B. who collected 280 and 264 respectively. Of the girls the best score was that of Mary Kelley of McCaffrey who collected 111 eggs.

The complete list is: Crow Eggs—1207; Magpie Eggs—1679; Crow Eggs—220 (adult); Magpie Eggs—125 (adult). These figures include birds shot by the older members of the Association.

The project has not been carried through without considerable expense and Association finances are in a very unhealthy condition. Everyone has derived the benefit the district has desired and so join the Association now or send in a donation to the secretary, Mr. Fred Ramsey.

C.C.F. Hold Organization Meeting At Battleview

The Wainwright constituency association of the Co-operative Commonwealth Federation held an organizational meeting in Wainwright on Saturday, June 26th.

The purpose of the meeting was to prepare for the impending Provincial election which everyone is speculating on. Mr. Stewart Wright of Hughenden, the C.C.F. candidate for this constituency addressed the group and Mr. H. Cook, Provincial representative of the organization, reviewed the C.C.F.'s Provincial platform, as drawn up by the delegates to the last provincial convention. Mr. Cook told those attending that they had 45 days to vote Mr. Wright into the legislature and outlined a pattern of action for the local organization to follow.

The matter of a federal nominee was left to another date when there will be called a nomination convention for the Battle River Constituency.

Shower And Dance At Battleview

A very pleasant social evening and dance was held in Battleview school last Friday evening, the occasion being for a shower for the newly-weds, Jim and Jeanne Vetch.

After a delicious midnight supper, Mr. Walter Alexander made the presentation of many gifts from the friends assembled.

Dancing was again resumed until quite a late (early) hour.

CARD OF THANKS

We wish to extend our sincere thanks to each and all our friends who gathered in the Battleview school and assisted in any way to make such an enjoyable evening possible; also for the many useful gifts presented to Jim and Jeanne.

THE VETCHES

Buffalo Park Grazing Association Protest Burning Grassland

The Buffalo Park Grazing Association held a general meeting in Wainwright, 24th June, 1948, to elect the first Board of Directors. About 200 stockmen of Wainwright, Can., Metekow and Edgerton made plans for the recently set up community pasture.

Under the present Alberta Government the P.F.R.A. pasture does function here. As established widely in Manitoba and Saskatchewan by the Federal Government, the P.F.R.A. provides for all fencing, administration, re-grazing, etc. with the stockmen paying a charge for use. The local practice is to establish locally governed pastures with all expenses and administration carried by the stockmen from the beginning, the government getting a rental fee for the land leased to the organization.

R. C. Hissett, Wainwright, was re-elected by acclamation as President, carrying over from his former position as President of the Provincial Board.

Directors elected by district, comprised two directors for each of Ranges 4, 6 and 5, divided by a line between Townships 42 and 43, were W. Castle Edgerton, D. Hines, Greenfield; C. E. Patterson, Greenfield; H. Almont, Can.; Leo Brown, Can.; and Wm. Abbott Edgerton, Mr. B. Robbley will represent the Prov. Dept. of Agriculture on the Board.

Resident owners only may run cattle on the range.

Fees were established for 1948 on a basis of 50¢ per head per month. The meeting decided to make this a Hereford pasture with local bulls to be turned into the herd on 1 July this year. The Board was instructed to make suitable arrangements with southern owners for this season. A minimum herd for each resident will be based on the carrying capacity of the range.

A very spirited discussion took place on the matter of including the nine sections east of the Park Road, presently under the Dept. of National Defence and leased to the Federal Department of Agriculture, in the pasture to provide hay and grazing reserve.

When Army Command has permitted emergency grazing on this land this spring on the petition of local stockmen owing to their depleted feed stocks and the lack of grass on the pasture because of overgrazing. Following the meeting Mr. Sylvester of the Central Experimental Farm, Ottawa and Mr. Matthews of Scott Experimental Farm met the Board on the instructions of the Ottawa section east of the Park Road, presently under the Dept. of National Defence and leased to the Federal Department of Agriculture, in the pasture to provide hay and grazing reserve.

KEEPING OUR MONEY AT HOME

The golden opportunity for the people of this district is at hand now if they should like to make a good investment with their money. At the present time the Wainwright Municipal Hospital Board is asking for tenders to buy debentures for the completion of the new hospital. While the sum is not large, it does amount to \$20,000. Debentures are for sale in \$500 and \$1,000 amounts, yielding 4% interest for a period of 20 years.

Here is a real opportunity for the people of the district to really get behind the new hospital and help with the buying of these debentures. They are a sound investment, with the residents of the Town of Wainwright and the Municipal District of Wainwright No. 61 standing behind them.

When the first issue of debentures were sold, the people of the district were not given an opportunity to purchase debentures as the board needed the money in a hurry. The whole issue was bought in two separate lots which made a total of \$185,000. This time while the board does need the money in as short a time as possible, they feel that by giving the residents a chance at purchasing these new debentures they will perform a service to the local ratepayers. After all, why should the 4% interest leave the district if it can stay at home. Once the interest money leaves it likely will never return.

There are 57 municipal hospitals in the province to date. Since the formation of the first Municipal Hospital District in 1919, there has never been a default on any debenture. This in itself is somewhat of a record. The Wainwright district has the money, so has other districts. This has been proven in the past through Victory Loans. For the Stettler hospital more than \$100,000 of a \$150,000 debenture issue was all bought up locally. Taber hospital was all built with local money. Didsbury, Ponoka, Oksa, all these towns built hospitals with local money. If they can it Wainwright can at least find a paltry sum like \$20,000.

From reading the above one might gather that it was impossible to sell the debentures elsewhere. This is not the case. The latest issue of debentures can be sold in Edmonton tomorrow, and will have to be if not sufficient action is taken locally. However, the hospital board feel that they can do the people of the district a favor by giving them an opportunity to purchase something that yields a good return for their money, as well as keeping the money in the district.

If you are interested in buying one or more debentures it will pay you to contact the hospital secretary, or see any member of the board. They can give you the full details. In so doing you will be providing the finishing touches to a hospital second to none in Western Canada and we will have it right in our own surroundings.

WATER AND SEWERAGE SURVEY

At a recent meeting of the executive of the Wainwright and District Board of Trade, the matter of operating a public opinion survey came up for discussion. The topic of the survey, "Are you in favor of installing water and sewerage in the town at the new cost figure?"

While the discussion was too varied to record, the matter did boil down to the fact that the members of the B. of T. are planning to conduct a survey of opinion in the town in the near future. The idea is to find out the wishes of the taxpayer and renter as to the matter.

The latest estimate of cost is in the neighborhood of the \$250,000 figure and while this is much higher than the original cost of \$194,000 back in 1944-45, the number of consumers has increased proportionally from a minimum of 150 to a likely 250. On the new estimated cost of \$250,000 and 250 users, the average cost would be approximately \$5.00 to \$6.00 per month per household for everything. This would include the water and sewerage charge, frontage tax, meter rental, etc. for a period of one year. While the figures given above can only be taken as an estimate, they are presumed to be accurate.

If there is enough interest shown in the survey the B. of T. plan on making the facts known to the Town Council so that they might decide as to whether to proceed with the plans on hand or wait until the price is lower than at today's level.

Not that a survey of opinion will start the ditchers or the graders moving into the town tomorrow, but rather a gallop poll could be used as a basis for further actions.

At the present time we are not aware when the survey will be taken, but it is presumed that it will start in the very near future. Therefore, if you find some person snooping around asking questions regarding the water and sewer, don't be alarmed. It likely will be a member of the B. of T. finding out the facts. The questions he will ask, and the answers that you will give will be of interest to see. What ever the outcome, Wainwright needs water and sewer as never before. This might be a step in the right direction of procuring same.

THE WEEK AT OTTAWA

One of the big questions in the Commons last week was if and when the government was going to lift the embargo on cattle shipments to the United States.

As the Commons continued a head-long dash to meet a possible June 30th prorogation date, the opposition fired questions all week to find out what the government had in mind. But the government's mind was as difficult to penetrate as the embargo itself.

Canadian farmers also were anxious to know what the immediate future would foretell. Across the border by a rich cattle buying market willing to absorb 400,000 head of Canadian beef at a price at least 30 per cent higher than that obtainable in the Dominion.

Possibly anticipating an Ottawa move, prices of beef were mounting as Canada's cattle raisers and processors were opening a boycott of the big dinner commodity.

As a new parliamentary assistant, farmer-member Robert McCubbin (1-Middlesex West) was called upon to reply to questions regarding the six-year-old cattle issue. Mr. McCubbin recently became undersecretary to Agriculture Minister Gardiner.

John A. Charlton (PC-Brant) asked if the government would make a statement on its intentions "in view of conflicting reports appearing in the press."

Mr. McCubbin came back with the time-old cabinet minister answer: "The honorable member can rest assured that when an announcement is made, it will be made in the best interests of all concerned."

Veteran members of the government laughed and applauded when Mr. McCubbin met a query by John Diefenbaker (PC-Lac Centre) de die.

Mr. Diefenbaker drew Mr. McCubbin's attention to an article in the Financial Post that the government would delay action on the embargo until after the Saskatchewan election and adjournment of parliament. Replied Mr. McCubbin: "The government will announce its policy irrespective of any provincial election when it deems wise."

But other sources disclosed that the embargo remained as still under fire in the cabinet itself. Some government members are opposed to any action which would increase the present sharp rise in beef prices.

An indication of what a lifting of the ban might do, choice live steers began selling for \$22 a cwt. in Wainwright in Canada last week but in Chicago on the same day, the price was \$10 higher. The difference might mean about \$7,000,000 a year additional income to Canadian livestock producers and a great expense to Canadian consumers.

Justice Changes
The "new look" hit one of the oldest and most considered documents in Canadian law—the criminal code. Its amendment adopted in the Commons meant a number of major changes in the administration of justice in Canada.

For instance, sex maniacs, technically known as criminal sexual psychopaths, now could be sent to penitentiary for an indefinite period—for life if necessary—after conviction of a sex crime.

A mentally deranged mother, who destroys her child after birth, now will be punishable up to three years' imprisonment. Formerly a parent was either charged with murder or manslaughter.

Intimidation in order to extract funds now may be a crime punishable by law. This would cover cases where Communists were reported to have made threats to injure relatives of Canadians abroad when requests for contributions were not forthcoming.

One of the most important changes is that of dealing with libel. A person charged with conspiracy to publish a defamatory libel will be subject to trial only in the province in which he lives or in which the libel is published. It would prevent a recurrence of a recent libel case where the publisher and a writer of New Liberty magazine in Toronto were brought to appear in an Edmonton, Alberta, court on such a charge.

However, although 40 amendments to the criminal code were adopted, there were none to ban hard crime comics from Canadian homes. Justice Minister Haley agreed that these publications were a "shocking" abuse of the freedom of the press but said it would be difficult to restrict their circulation.

Human Rights
In another phase of parliamentary activity, consideration was given a suggestion by a Toronto organization, the Committee for a Bill of Rights, to amend the British North America Act. The suggested amendment would give Canadian citizens the right of freedom and fundamental freedoms along the lines of its counterpart in the United States.

However, F. P. Varcoe, deputy justice minister said that a Canadian bill of rights by constitutional amendment would "hand back part of our sovereignty power to the United Kingdom."

IN OUR TIME

"I know - my Ed was just saying the other day he doesn't know what he'd do if anything happened to his only white shirt."

Report to the People

By Robert Fair

After being in session since December 5th, with the exception of Christmas recess, the House of Commons expects to finish its business about the end of the present month. Quite a heavy and varied program of legislation has been passed as well as a number of divorce bills, which are of interest, particularly, to the Province of Quebec.

Many of the bills dealt with during recent weeks have been in connection with the budget resolutions and lately, measures dealing with labour laws and the new Income Tax act, amendments to the annuities legislation and several other bills dealing with various matters.

Most of the Committees which have been sitting throughout the session have now completed their work although a few are still sitting and expect to be for some days yet. The Prices Committee, which was set up earlier in the session to discover the causes of the recent rise in the cost of living, is at the present time considering its report to the House and from what we can learn, it is possible that there will be one, or more, minority reports presented if the rules of the House permit this.

The Committee dealt with many items which are in everyday use and up to the present time, with very few exceptions, they have not discovered any real exorbitant profits being made over a long period. It is true that in many instances, over a short period of time, merchants and others did take advantage of the removal of price control and also the imposition of restriction of the importation of goods into Canada to make exorbitant profits, and were quite open in admitting that they had done this and that it was a general practice among the different members of the trade to take advantage of conditions which existed from time to time to add to their profits.

As we can see things now, it would seem that an attempt is being made to bring our Canadian prices up nearer to the level of the United States prices, and wages are also following in that direction. C.C.F. members on the Committee have continuously clamoured for full-scale price control but it is strange to say that while they advocated this, many people believing in the C.C.F. programme did not want to have wage control, and it would be foolishness for anybody to think of controlling the price of goods being sold in the stores without having a similar control of wages as wages count to a large extent in the production of goods.

It is expected that a fairly prolonged debate will take place in the House as soon as the Committee submits its report but up to the present time we cannot see any marked benefit of the Committee in controlling prices because the cost of living has soared steadily since the Committee was set up.

At the present time there is a resolution on the Order Paper preceding legislation, to ratify the international wheat agreement and it is expected that perhaps next week this legislation will be proceeded with and the agreement brought down after it has been passed. This international agreement provides for the sale of wheat by three wheat-growing nations—Canada, United States and Australia—selling wheat to more than 30 other countries at a maximum price of \$2 per bushel over the next 5 years and a minimum price of \$1.50 for the first year of the contract.

When asked by Senator Arthur Roebuck (L-Ontario) whether the "general effect" of such an amendment would be to "restrict or broaden" civil rights and fundamental freedoms now prevailing, Mr. Varcoe said he believed it would not increase the rights and freedoms now enjoyed by individual Canadians.

By Horie Hunt

present "X" provided by the Act. Under this system 149 members were elected to the House in the 1945 election by a minority vote, and your member has given notice that he will bring in the proposed bill at the next session in order that every constituency will elect a member who has at least 60% of the vote polled, plus one vote.

I want to again take this opportunity of thanking the editors of the various papers circulating in the constituency for allowing me space to bring before the people the most important pieces of legislation discussed during the present session. It is my intention to discuss some items of interest each month until the House meets again, possibly late this fall, and at that time I shall resume reports on important legislation being discussed in the House. As matters stand now, I hope to be back in Alberta, early in July and hope to have an opportunity of meeting many of my constituents at meetings and other gatherings, such as picnics, fairs, etc.

Welcoming Party At The Home of Mr. & Mrs. J. Perkins

The home of Mr. and Mrs. J. Perkins was the scene of a happy gathering on Wednesday evening, when about 30 neighbors and friends gathered to welcome to the district, Mr. and Mrs. Percy Henderson and two children, Dwayne and Cheryl. Mr. and Mrs. Henderson have moved to this district from Provost.

Games of cards were enjoyed by most of the people present. A lunch was served by the ladies of the district, and then in a short and fitting speech, Mr. L. Myrland welcomed the newcomers and presented them with a small gift.

English Journey

By Walter R. Legge

In this series of articles it is my hope to present an accurate picture of conditions as they are in England today, to contrast present conditions with what I found when there with Canadian editors in 1942, and to make them as interesting as possible.

There are so many conflicting reports of what the English are now enduring that this will be an effort to present factual information, as I find it.

To begin with, it is difficult but not impossible to get bookings to Europe today. There still is a serious shortage of ships, but Mrs. Legge and I were fortunate in being able to get accommodation on the Ascania leaving Halifax on April 16, and returning from Liverpool on June 5th.

Mr. Abbott's dollar saving programme has not made travelling any more pleasant. It has stopped the privilege of allowing friends to go on board ship to see you off. Also once on board, passengers are not allowed to come off again before the ship sails.

The boat train arrived at Halifax at about 2 p.m. and those passengers, (nearly all of them) who went on board were forced to stay there, although the ship did not sail until 10:30 p.m. that night.

Although the passengers must declare on a Form H the amount of money he or she is taking with them, the customs officers insist upon seeing and counting it. This is one of the ways in which government regulations undermine morale by considering everyone as a felon. The passenger's signed statement is not accepted at face value and is apparently only used as an added charge against the passenger, if as the government seems to hope, he has either intentionally or not, made a mistake.

If the examining officers are at all suspicious, the passenger's person and baggage are subjected to a thorough search.

We did not get on board at once, but going up to the Nova Scotia Hotel, had a delightful visit with the members of the Nova Scotia Press Association, who were gathered in session there. With them also were R. A. Gilles and W. McCarty, president and manager of the C.W.N.A.

The "Ascania" although not a very fast ship, has many advantages, not the least of which is that she is a very steady ship. We were told by passengers who had travelled on many other ships that this was a great advantage.

There is nothing about such menus to suggest austerity.

There is plenty of entertainment provided. Horse racing, bingo, and other amusements are organized each evening. "Radio" is the only one of five pieces plays at regular hours. Deck tennis, shuffle-board and other games are popular, and no one need have a dull moment.

All in all, a voyage on the Ascania is just as enjoyable today as it was before the war.

ships that the Ascania does not roll as much as other larger and faster ships. Certainly we had a very smooth voyage and very few passengers suffered from sea sickness.

The chief officers, Capt. W. M. Stewart, OBE, H. E. Wardrop, purser, H. Toward, chief steward, and others are exceedingly pleasant, and all can spin exciting yarns of their own experiences. Capt. Stewart, who was on his first trip in command of the "Ascania", having previously been Staff Captain on both of the Queens, was for most of the war in command of a ship sailing up and down the east coast of Africa and although he escaped torpedoing, had his share of excitement and difficulties.

Every member of the ship's complement seems anxious to do everything possible for each one of the passengers.

Ships at present are crowded on every trip and there were about 300 passengers on board. There were a very large number of children, but they were all remarkably good, and there is a well equipped nursery which is popular with the smaller children.

While the first accommodation was ruled the public rooms were not overcrowded, and it was always possible to find a comfortable chair, or a table on which to play cards, if desired. The tourist accommodation, we were told, was much more crowded.

The "Ascania" is listed as still under austerly conditions but it is difficult to say just where there is any austerity. Certainly not in the dining room, where meals are as good as in peace time.

A typical breakfast menu lists 2 different fruits, 7 breakfast cereals, grilled fresh herring, calves liver, broiled bacon, eggs in any manner desired, cold meats, 8 kinds of bread, waffles, buckwheat cakes, with maple or golden syrup, preserves, marmalade and six different beverages.

During the morning hot broth is served in all the public rooms.

At noon, a luncheon menu is as varied as the breakfast one, and about 7 p.m. tea is served to everyone in the public rooms.

The dinner menu is the best of all. Here is a sample one taken at random: Oysters on half shell; Hors d'oeuvres; Consomme or cream soup; Roasted fillet of Turkey; veal and ham cutlets; Roast sirloin of beef; Haddock vert; carrots vichy; boiled rice; cauliflower or potato; roast chicken; strawberry souffle; wine jelly; vanilla or orange ice cream; champagne coffee or tea.

There is nothing about such menus to suggest austerity.

There is plenty of entertainment provided. Horse racing, bingo, and other amusements are organized each evening. "Radio" is the only one of five pieces plays at regular hours. Deck tennis, shuffle-board and other games are popular, and no one need have a dull moment.

All in all, a voyage on the Ascania is just as enjoyable today as it was before the war.

Wainwright Sea Cadets
Visit The Army

On Tuesday, June 22, the Sea Cadets were taken to the Army Camp by Army trucks. Under the direction of Captain Garkey, the Lord Strathcona Horse Tank Regiment put two Sherman tanks through their paces. The boys were given the privilege of swarming through the tanks and asking any questions they wished. Afterwards the tanks fired their "3 inch" guns at distant targets giving the boys an idea of targets under shell fire. To add to the display the machine guns were fired using tracer bullets. After this display the boys were given trips in the tanks. Our thanks go to the Colonel, officers and personnel who gave the Cadets an insight into what goes on at the camp and in a Tank Regiment.

The Tuesday before the Cadets had their final parade; a surprise party was given by the officers of the corps. Five Cadets were given first aid awards. Petty Officer Bob Leach and John MacKinnon, Able Cadet Wallace Murray, all receiving the Senior St. John Badge, Able Cadets Colin Carter and John Rasmussen received the Junior St. John Badge. The Cadets express their thanks to Mr. Simonson for his instruction.

The boys have had a very successful year and have had an excellent inspection report. The senior boys are going to Camp Laguna, Vancouver, for two weeks, while the Junior boys will go to Lake Clearwater, Calgary.

The next parade will be in September when we hope all young fellows will join and get an idea of the Navy, and at the same time enjoy sports, hobbies, etc.

**Takes Gospel To
Seafarers**

The murky maze of grimy, one-way streets that fringe the Montreal waterfront apparently holds few terrors for Blossom Trelawny.

Believing that seafaring men are more in need of spiritual guidance than uptown landlubbers, she haunts the entrances of such waterfront hangouts as Joe Bee's and the Neptune, handing out printed texts from the Bible.

Her favorite text for the patrons of Joe Bee's is: "Behold how good and pleasant it is for brethren to dwell together in unity."

She adopted this one several years ago after a group of fishermen from the Athenia rolled into Joe Bee's and got into a monumental scrap with some longhairs. When the stewards began to swing baling hooks, the fishermen broke the rim of their beer glasses and used them as gages.

Over at the Neptune, Miss Trelawny prefers to use: "Happy shall he be that rewardeth thee as thou hast served us." Impressed by the text, the management once pinned a copy to the door.

Then one day their most valuable customer—a man of astounding capacity—paused to read it and was knocked flat when someone pushed his way through the door. The card was promptly removed.

Sharp-faced, with iron-grey hair, Miss Trelawny has brought the gospel to sailors for 29 years. She first got the idea when a boatswain, torpedoed during the First World War, told her he had saved his life by clinging to a floating case of Bibles. He suggested that she do something to bring teachings to sailors.

"I never thought much of men until I met that boatswain and discovered his love for the Bible," Miss Trelawny says. "I think I would have married him except for one thing."

"One night when we were at a movie I discovered he couldn't read."

EDGERTON

Mr. Albert Tribe has kindly set aside a part of his land west of the town for use as a landing strip for planes. He wishes to make a strong protest to those who will persist in trampling over and seriously damaging the crop with which the remainder of the field is planted. It is hoped that all will co-operate in this matter and refrain from rushing down every time a plane lands.

A further stretch of the road to Clear Lake is to be gravelled. The

Municipal District has granted \$50 for the purpose and all users of the road are asked to subscribe towards the additional cost. Mr. Fred Ramsey is the collector.

James Milne, for many years resident in Edgerton, died last Wednesday in Viking. Mrs. A. Sawyer and Mrs. Trimmer journeyed to Viking for the funeral.

Mr. and Mrs. Oscar Wistrath, accompanied by Mr. and Mrs. Curt Dylling of Edgerton, left last Friday for a trip to the coast via the States.

Don't forget the Old Times' picnic at Clear Lake on July 14th. Further details later.

"PIONEER'S" ADDITIONAL PAYMENT ON OATS AND BARLEY

Some months ago we made an interim payment of 12 cents on oats and 10 cents on barley, and advised all customers that final payment would be made later.

Cheques are now in the hands of all agents for this final distribution. It will be appreciated if you will call and pick up your cheque.

This payment plus the initial interim payment makes a total of 13½¢ per bushel on oats, and 16½¢ per bushel on barley.

We are happy to announce that "Pioneer" customers are receiving more per bushel than the distribution made by any other Pool or Line elevator operators in Saskatchewan or Alberta.

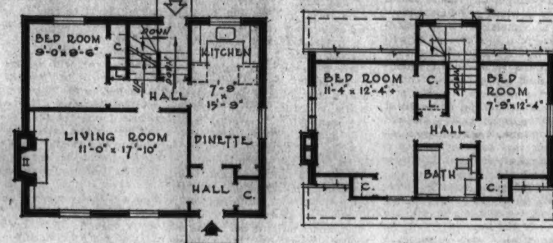

IT PAYS TO PULL TO THE "PIONEER"

The Federal Government promised to make a payment to farmers on oats and barley, delivered at ceiling prices between August 1st and October 21st, 1947, after the Elevator Companies had made an adjustment. This has now been done and we therefore trust the Federal Government will implement its promise in the near future.

PIONEER GRAIN COMPANY LIMITED

N.H.A. Design of the Month

N.H.A. DESIGN-OF-THE-MONTH—Here is a six-room brick veneer house only 28 feet by 23 feet that has been planned to avoid the box-like appearance of many small house designs. The wide Dutch dormer across the front provides a pleasant break to the roof and, with hall space

kept to a minimum, rooms are more spacious than is usually the case in houses of similar size. The kitchen features an efficient U-type arrangement of fixtures at one end and dining space at the opposite end, a boon to the busy housewife. The two front windows allow a plentiful supply

of natural light and fresh air in the living room. For estimating purposes, the floor area of the house is approximately 1,069 square feet. Complete construction drawings for this plan, known as Design No. 196, are available from Central Mortgage and Housing Corporation at minimum cost.

GILT EDGE

Mr. C. Chambers, former minister at Gilt Edge spent a few days in Wainwright last week when he and Washburn Laird celebrated their birthdays together. Mr. Chambers has a church at Killam this year.

A few ladies of the W.M.S. met at the home of Mrs. J. W. Reid last week to pack parcels, one of which was sent to the Salvation Army Relief and one overseas.

Several from this district attended the funeral service for the late Mr. George Madder in Wainwright last Tuesday.

Mr. Graham attended a Church Conference held at Sylvan Lake last week, returning home on Saturday.

Mr. Jack McClellan drove over

from Lloydminster last Tuesday evening, returning the following day. The members of the Orange Lodge held their regular meeting in the Hall last Monday night.

Mr. and Mrs. Fred Goddard motored from Chandonald last week to visit with Mr. and Mrs. Ted Goddard who accompanied them on a vacation to be spent at Jasper.

Mrs. A. J. Pierce is visiting a few days this week at the home of her brother, Mr. and Mrs. Chris Pentock. Mr. and Mrs. Elwood Plaxton visited at the home of Mr. and Mrs. M. Herbert at Hesth last Sunday evening.

Mr. and Mrs. Walter Rathwell accompanied Mr. and Mrs. Dave McClellan home from church on Sunday and spent the evening with them. We are pleased to report that Mrs. Ed Plaxton who has been on the sick list is much improved in health.

Mr. and Mrs. F. Spady visited on Sunday with friends at Greenshields. Mrs. L. Beasley visited last week with her sister in Wainwright who is moving to Edmonton shortly.

Miss Edith Anderson arrived Saturday from Redwan, Sask., to renew acquaintances in the district. Miss Anderson was the Deaconess here the summer of 1946.

Supper guests at the home of Mr. and Mrs. Stuart Plaxton Sunday included Mr. and Mrs. Henry Ott, MacCot, Mr. and Mrs. Bert Kitchner and Mr. Graham.

Mrs. Ray Sharp spent a few days at the week-end at the home of her brother, Mr. and Mrs. V. Treffry.

PLAXTONVILLE

We were glad to hear that Mr. J. Black is much improved in health, although still a patient in the local hospital.

A farewell party for Miss Audrey Gardiner was held at her home on Thursday evening. A number of young folks from this district were present.

Mr. and Mrs. Ted Goddard and Florence, with Mr. and Mrs. Fred Goddard and family of Chandonald, left by motor on Sunday to vacation at Banff, Jasper and other points.

Mrs. A. Dickout has been visiting this past week with her parents, Mr. and Mrs. E. Knott, who have recently moved to Wainwright.

Mr. and Mrs. R. H. McNern received news from Wainwright on Wednesday last of the arrival of their first grandchild, William Henry McWilliams.

Silgo fast ball team met the Gilt Edge team on Thursday evening at the Park Hall Community Centre when a 5 inning game was called due to darkness. Gilt Edge ahead but Silgo had a forth-coming bat.

Mr. and Mrs. Marvin Plaxton attended the wedding of Mrs. Plaxtons sister, Miss Susie Ford to Mr. Thos. Shaw both of Plaxton. Miss A. Dick also attended the wedding on Friday, June 25. A number of folks attended the wedding dance held at Plaxton school in the evening. Best wishes are extended to Susie on her marriage.

GREENSHIELDS

Mr. Joe Hawryluk spent a few days in Edgerton during the past week. Gilbert Page returned from Edmonton having completed his term at College.

Mr. E. Boyko arrived on Saturday evening and has been busy preparing to move their household furnishings to Sperry, Alta. Mr. and Mrs. Boyko left for that point on Monday, their daughter Miss Alma Boyko will follow on the completion of exams. Best wishes are extended for happiness in their new home.

The local softball team met Wainwright High School in another friendly battle on Sunday afternoon and were easy winners.

Mr. and Mrs. Verne Lindberg, Janet and Kenny were guests of honor at a dinner party at the Morrison home on Sunday. Others present

were Miss Joyce Lindberg, Mr. and Mrs. Pete Spady and Mr. and Mrs. John Kelly and Susan.

NEWS & VIEWS OF TOWN AND DISTRICT

BORN—To Mr. and Mrs. Keith Fawcett of Edmonton at the Wainwright municipal hospital on June 28th, a girl.

BORN—To Mr. and Mrs. E. L. Wiley of Heath at the Wainwright municipal hospital on June 28th, a girl.

BORN—To Mr. and Mrs. Bill Steele of Edmonton at the Wainwright municipal hospital on June 28th, a girl.

BORN—To Mr. and E. D. Johnson of Heath at the Wainwright municipal hospital on June 28th, a girl.

Mrs. E. A. Christensen of Edmonton is visiting with relatives in town this week.

Mrs. Katha Penby and son, Barry, spent a few days in Edmonton this week.

Mrs. B. Cameron is one Wainwright lady who won't have to wait for a shipment of strawberries to arrive from the coast, if the lovely large berries she brought to the Star Office are an indication of the yield, and she assures us they are.

Mr. E. F. Thurston, a former druggist at the Wainwright Pharmacy spent a few days last week re-nourishing acquaintances in town before returning to his home in Strathmore.

Mr. and Mrs. Joe Dalton and daughter Mable accompanied by Lila Polard left last week for a two month vacation at Chilliwack.

Mr. Henry Wilbert arrived on Sunday from Vulcan to spend a short vacation with relatives and friends in town.

Mr. and Mrs. Jack Perkins and son Brian motored to Gadsby and Lacombe for a few days at the weekend.

Mrs. A. J. Pierce arrived Wednesday from Whitehorse, Y.T., for a short visit with her father, Mr. G. Peacock and other relatives in town.

Mr. and Mrs. H. Smart are spending their annual vacation at Banff and Calgary this year.

Mrs. R. E. Ewing with baby daughter has returned to her home in Calgary after visiting with her parents Mr. and Mrs. C. Wilbraham in town.

Mrs. G. Arivick attended the W.A. Convention held recently in Toronto as the official delegate from the local group.

Members of the Mitchell family gathered at the home of their mother Mrs. W. Mitchell on Friday, June 18, when she celebrated her 78th birthday.

M. V. Slinger of Wainwright was the holder of the lucky ticket drawn for by the Gerald Victory Club making him the owner of the handsome quilt.

Mr. and Mrs. Edward Fletcher arrived from Montreal on Tuesday to visit with Mrs. Fletcher's parents, Mr. and Mrs. F. Zajic for a short vacation.

Mrs. M. Steele is spending a week visiting in Edmonton with her son and daughter-in-law, Mr. and Mrs. Eric Steele.

Miss Kay Jones of the Bank of Montreal staff is enjoying her annual vacation at Sylvan Lake.

Quite a crowd of fans were at the old Vermilion bridge picnic grounds on Sunday afternoon to see the Athabasca and Gilt Edge boys play softball. Athabasca emerged victorious.

A little more practice needed Gilt Edge.

COMING EVENTS

The Farmers Union Picnic will be held at the Roseberry School on Wednesday, July 14th. Dance to follow. (30-4)

The annual Gilt Edge Picnic will be held on July 7th, at the Gilt Edge Park. Ball games, Horse Races, Track Events, \$50.00 in prize Booth on grounds. Admission—Men 50c, Ladies 25c. Children free. Dance in hall at night. 30-4

"Serves You Best"
Phone 1 Wainwright

We understand that wedding bells will ring for Miss Gladys Souter of Vancouver, formerly of Wainwright, this coming October.

The B-A Crew have been working at Turley's Service Station during the past few days installing new pumps and underground storage tanks. The new pumps look right smart in their new island position between the building and sidewalk.

Mr. and Mrs. Ray Sharp spent the week-end visiting with Ray's parents in town.

Miss Lenore Wright who has been attending University in Edmonton is visiting with her parents in town.

The Star has a list of names of residents for estates represented by correspondents. All letters must be short by the writer of name and should not be longer than 50 words.

Wainwright Star,
Wainwright, Alberta

I would like to draw your attention to one or two things regarding this cesspool stuff. I thought that it was supposed to be hauled in a tight tank. I understand when this man hauls one tank he has to pump two to get one and the other runs on the ground to give the flies a good time, and the one he hauls to haul to the dump is half empty by the time he gets out there. That will sprinkle the street so the dust will not blow.

Regarding the toilets, I have been in many towns both in Canada and the U.S.A. and that stuff was always hauled at night. If they were emptied at night it would not be so hard on clothes pins. And I think our good Councilors are very very slack about this very important matter. In this nice little town of ours why be the new wagon and new tank not on the streets. It's a disgrace to see the way that things are being handled in this regard. It looks like ten year old boys work.

Yours truly,
"TAXPAYER"

EDITORS NOTE:
While "Taxpayer" is one of many who has aired his beef through the "Letters" column, one thing which we would like to point out is the fact that "Taxpayer" has up to now just criticized and has offered no suggestion. While it is his right in our democratic country to beef and criticize the action of our government, it also is a duty of that person making the beef to offer an alternative or a suggestion on how a situation can be improved.

We are fully aware that the sewerage disposal problem in Wainwright is a serious one. We feel that the council is doing all in its power to remedy the situation. The present town employee who is looking after the situation as referred to above will cease employment during the early part of July. It is possible that the situation might improve after that time. The Town recently purchased a new wagon and tank. This alone will remove some of the conditions referred to above. After that the collection of the sewerage will depend on the type of person the town will be able to find to take on the job.

The whole thing boils down to the fact that we need water and sewerage in Wainwright—and need it fast.

IN MEMORIAM

In loving memory of Arthur Joseph Rutherford, who passed away June 26th, 1938.

Pleasant be your sleep dear son
It is sweet to breathe your name
In life we loved you dearly
In death we do the same.

CONTINUATION OF BUFFALO PARK GRASSING ASSN. PROTEST BURNING GRASSLAND

(continued from page 1)

growth can be obtained by the continuation of the present emergency grassing in the area under discussion for the season 1948.

And it may become necessary, if the seasonal rains are delayed or heavy grazing of the rangeland is enforced, to request assistance under the PFRA for a full re-grassing of the Community Pasture, through the Federal and Provincial Dept. of Agriculture.

And each season, fires are set to abundant grass in this area, presumably by Military Authority or as a result of assumption used in army work which indicates: (A) a surplus of grass (B) the need to remove this grass for the safety of military personnel and equipment, and for the protection of property of local farmers.

It is a fact that in 1948 fire burned pasture and crops of farmers, on claims paid by the Dept. of National Defence and in May 1948 had it not been for the wind remaining constant in one direction serious damage would have resulted to the property of local farmers. At this fire approximately one third of the park area grass was destroyed, and in putting out the fire the local farmers fought the blaze in grass growth fit for haying.

Fire guards have been neglected so that weeds are growing on them and in some sections no guards have been placed in recent years.

And the feed situation in this area is such that local farmers require all available hay for insurance against continued adverse growth, condition, and unusually long winter feeding periods, such as experienced during the past winter, which has depleted all reserves of feed in this area.

And seasonal army manoeuvres at Wainwright have been confined to mid-winter and mid-summer periods of comparatively short duration, thus leaving the spring and fall seasons with the land unused.

And whereas there is no evident reason why the Dept. of National Defence and the local farm residents, through the Buffalo Park Grazing Association, cannot co-operate in working out a mutually satisfactory arrangement whereby the hay and grazing is made available to the local stock while the area is freed of stock during army training periods.

Therefore we submit the following proposals; to wit:

A) That the area East of the Park Road, specifically, Sections 1, 2, 3, 4, 5—Township 43 Range 6 West 4th 22, 23, 27, 28, 33, 34, 35, part 36, part 38 Twp. 42 Range 6 be included in the original area of the proposed Community Pasture;

B) That the cattle of the Buffalo Park Grazing Association be permitted to continue grazing in the present emergency area, namely: Sections 3, 4, 9, Twp. 43 R. 6 Sections 22, 23, 27, 28, 33, 34, Twp. 42 Range 6

C) That an additional area be set aside for grazing and haying, under permits to be processed and forwarded by the Buffalo Park Grazing Association Board, namely: Sections 19, 20, 29, 30, 31, 32, in Twp. 47 Range 6 West 4th

Sections 5, 6, 7, 8 Twp. 43 Range 6 Sections 22 to 36 inclusive Twp. 42 Range 7

Sections 1 to 12 inclusive Twp. 43 Range 7

Sections 1, 2, 11, 12 Twp. 43 Range 8 for the season 1948 owing to the emergency situation previously explained.

D) That an agreement be drawn up permitting the use of this land from year to year, on the above basis, but determined by seasonal plans of the Dept. of National Defence;

E) That a mutually satisfactory agreement can be drawn up whereby the Buffalo Park Grazing Association will assume the responsibility for maintenance of adequate fire guards in a set standard, to protect this grassland, if use of the land is granted as above in (C) and (D);

F) That we recommend for careful consideration the excellent pasture and hay opportunity offered to the farmers to the West and North (Falcon area) under similar arrangements for use of the land adjoining their area, as proposed above (C) and (D);

All of which is respectfully submitted to the end that the above area of grazing land may be efficiently utilized through co-operation of the Dept. concerned, through a careful and supervised haying and grazing

programme planned over a period of years.

R. C. HESSETT
Chairman of the Provisional Board
Buffalo Park Grazing Association

KENN S. TORY
Secretary.

Appendix A:

Whereas we are informed that the Dept. of Agriculture plan to acquire the Buffalo Park Grazing Association

And that the Dept. has received 4 sections in the area for exclusive haying purposes of the Buffalo Park Grazing Association, which formerly was used by the resident farmers.

And whereas unbiased decisions must be reached in arriving at mutually satisfactory plans for the above expansion, and the present and future needs of the Community Pasture as outlined in this brief:

Therefore we submit the following proposals in good faith:

That representation be made to the Dept. of Agriculture Ottawa pointing out that in acquiring land adjacent to the present holdings for the Buffalo Park Grazing Association, if expansion is decided upon, that ample area exists, providing excellent haying, green-feed, grazing and water facilities, on land adjoining the present area, to wit:

Sections part 14, 15, 22, part 28, part 26, 27, 34, 35, 36, Twp. 43 Range 7 West 4th.

Sections 1 and 2 Twp. 44 Range 7 West 4th

We understand that Section 1 Twp. 44 and Section 14 Twp. 43 are especially desirable as added area for this farm, and would provide excellent arable land if broken up.

R. C. HESSETT
Chairman of the Provisional Board
Buffalo Park Grazing Association

KENN S. TORY
Secretary.

CONTINUATION OF M.D. Minutes

(continued from page 1)

Moved by Mr. Spencer that the Wild Land Tax on Section 8-48-4 for 1948 be cancelled on account of it being owned by C. and L. Burton.

CONTINUATION OF

M.D. Minutes

Continued from Page six of Chairman for \$600.00 cash presented.

Bylaw 231 then received its three readings in regular form.

Moved by Mr. Sutherland that this Council recommend the cancellation of the road diversion in the W. 10-44-0-4, file 19075, Cd.

Moved by Mr. Spencer that this Council offer D. Pawsey the sum of \$20.00 per acre for 3.51 acres taken for roadway through the SW 2-48-4 and the sum of \$12.00 for 3 acres

compensation as per plan of survey, file 20470, Cd.

Moved by Mr. Archibald that the matter of Tender 2/48 and L.J. Pound be tabled until July Council meeting for the Secretary's report.

Moved by Mr. Taylor that the Secretary write the Village of Chauvin that the Council are willing to sell the land referred to in their letter of 8th June 1948 for the cost of registration of the Transfer subject to the present lease provided the Village of Chauvin declare the area referred to within the Village limits to be designated an air strip, Cd.

Moved by Mr. Taylor that the following Leases be granted:
NS 6-45-0-4, Cultivation 3 years, R. B. Reid.
SW 20-43-0-4, Grazing, 1948, R. C. Hissett, Cd.

Moved by Mr. Archibald that a letter of protest be sent to the National Air Parks Department re the burning of valuable grass within the Buffalo Park area, Cd.

Moved by Mr. Sutherland that the report of the Field Supervisor 19th May to 24th June, 1948 be accepted as read and filed with his records, Cd.

Moved by Mr. Spencer that Mr. Archibald, Chairman of the Service Board and Mr. Madrox attend the Conference of Agriculture Service Boards to be held in Edmonton 14th and 15th of June, 1948, Cd.

Moved by Mr. Archibald that the Reeve and Mr. Arthur be a committee with power to act with reference to the Clear Lake parking area, Cd.

The Committee on office addition reported their findings as to costs and condition of the building. The said committee were instructed to carry on but to stay within the amount set aside, being \$6,000.00.

Moved by Mr. Arthur that Pay sheets amounting to \$5485.14 be passed and paid when signed by the Councilor concerned.

Moved by Mr. Taylor that this Council engage Don Hollar of Viking Alberta, as gravel contractor at the following rates: Loading, 25c per yard. Government rates for hauling stripping 10 to 12 inches free. Mr. Hollar to meet Mrs. Smale and Taylor on the 25th June, 1948 to look over their roads and gravel pits, Cd.

Moved by Mr. Smale that this Council engage Shaban and Smith of Wainwright as contractors for earth moving and construction work at the following rates:

Elevating and Blading, \$450.00 to \$500.00 per mile.
Drifting 12 to 14 ins. additional \$100.00 per mile.

D-6 Cat, with 8 to 11 Yd. Bucket, \$8.00 per hour.
D-8 Cat, with 16 to 20 Yd. Bucket, \$16.00 per hour.

D-8 Cat, with 12 to 15 Yd. Bucket, \$12.00 per hour.
D-4 Cat, with Dozer \$7.00 per hour.

D-8 Cat, with Dozer \$12.00 per hour.
Elevating with 48 inch Belt \$18.00 per hour.

D-8 Cat, with 12 foot Blade Grader \$12.00 per hour.
D-6 Cat, with 12 foot Blade Grader, \$8.00 per hour, Cd.

Moved by Mr. Archibald that Shaban and Smith start work not later than 10th July, 1948, Cd.

Reference to the Rottenstone Colony, Secretary report that nothing can be done at the present time to prohibit these people from settling in this District.

Secretary was instructed to advise the Department of Lands and Mines, file 1259, that this Recreational Lease 13 R.G. is not required.

Secretary was instructed to abide by the correspondence dated 10th June, 1948, from the Department of Public Welfare, Mothers Allowance Branch, to have sent annual reports taken by 15th July, 1948.

No more business on hand.
Moved by Mr. Sutherland that meeting adjourn until 8th July, 1948, at 9:00 a.m.

The Standard Iron Works Limited
EDMONTON - ALBERTA

With rugby bowling along throughout Canada, increasing in popularity and financial stamina each season, the question arises: will the Dominion ever see a resurgence of interest in rugby's old man, soccer, which got its start in England around the 13th century.

Old Country stock would certainly like to see the game again take shape in Canada, and argue that once popular it could draw as much to its coffers as any sport now played.

Unfortunately its supporters are past playing age and must force their argument on Canada's sports-conscious youth.

Using Britain as the yardstick, their argument is solid. The United Kingdom's Saturday afternoon football draws huge crowds, sometimes 90,000 at a single match, and prices are set to appeal to high and low income fans.

Since Canada's stadiums aren't large enough to accommodate even a third of this crowd, there is little use in seeking a parallel between the two.

But in the United States baseball presents a good rival to soccer, and except for individual players' salaries, the two sports are similar in wealth, popularity and size.

Both play international games; both have their leagues, major and minor; both draw huge crowds; and both place incredible values on players.

SIXTY TRANSFER FEE
Every Canadian knows prices set on ball players like Bobby Feller, Hal Newhouse and the Di Maggio are enormous, but few realize it cost Liverpool soccer team \$50,000 to obtain Al Stubbins, and are willing to part with Billy Liddel for about \$65,000.

Liverpool's North American tour may do something for the game in

Canada. More than 17,000 witnessed Toronto's United go down to a 6-1 defeat before the Liverpoolians at Maple Leaf Stadium recently.

That game might be the start of a soccer era here, or it might only show how many Old Country soccer fans live in the Toronto area. But nevertheless, it was noted that the Triple A ball park has not seen a crowd like that since VE-Day, even on the Maple Leafs opening day of the season.

It also showed Canadians to be adept with feet and heads when it comes to the round ball game; Ulster protest, but many a spectator—a neutral lot, incidentally—thought experience might tell a different tale in any future international exhibition game.

At present, soccer in Canada is a of the Sunday morning service on

public school game organized as an autumn inter-school sport, and it gives up its players to rugby in both high school and university.

Like rugby, soccer here develops to senior amateur—not professional.

June Meeting Of The W.M.S.

The June meeting of the W.M.S. of Grace United Church was held in the Sunday School room with eight members present, Mrs. L. W. Smith presided. During the business meeting it was decided that Mrs. J. Nicholson be Community Friendship secretary for 1948, that the W.M.S. be in charge

of the Sunday morning service on

July 18th, and that more cards should be ordered. Mrs. Lyle reported that more than half of our allocation has already been reached.

A very worthwhile devotional on the value of family life was given by Mrs. Dobson. She based her talk on I Cor. 13, "Love Never Faleth."

Hostesses were Mrs. L. Mitchell, Mrs. M. Dobson and Mrs. L. Smith.

SCOTS WHA' HA'E

Montreal—A private of a reserve unit of the Black Watch disappeared after training one evening. A Grandmère, Que., hotel-keeper phoned police headquarters. "Come and get him quick," he said. "He's got on some girl's skirt and a soldier's tunic!"

Join Your Friends and Neighbors at the 1948 EDMONTON EXHIBITION

Things are on the move in the Greater Edmonton of 1948 - largest - fastest growing city of the middle West. So, come and get set for the time of your life.

EVERY DEPARTMENT OF THIS GREAT ANNUAL EXHIBITION IS KEYS TO A NEW HIGH FOR YOUR ENJOYMENT

FRACTURES

GENERAL SIGNS AND SYMPTOMS OF FRACTURE

1. Pain at or near the seat of fracture.
2. Loss of power in the limb.
3. Swelling about the seat of fracture

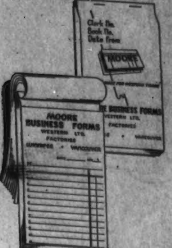

4. Deformity of the limb. The limb assumes an unnatural position, and is mis-shapen at the seat of fracture
5. Irregularity of the bone. If the bone is close to the skin the fracture may be felt.

GENERAL RULES FOR TREATMENT OF FRACTURE

1. Attend to the fracture on the spot. No matter how crowded the thoroughfare, or how short the distance to a more convenient or comfortable place, no attempt must be made to move the patient until the limb has been rendered as immovable as practicable by splints or other means of restraint, unless life is in danger from some other cause.
2. When hemorrhage accompanies a fracture it must be attended to first, and the wound covered by a clean dressing.
3. Slight support the injured limb so that its further movement on the part of either the patient or the bystanders is prevented.
4. With great care and without using force place the limb in as natural a position as possible. The scope of the First-Aider in the treatment of fractures is not necessarily to set the fracture accurately, but to maintain the broken ends in a fixed position so that they shall not cause further injury to the tissues around them.
5. Apply splints, bandages and slings when necessary. The splints must be firm, and long enough to keep the joints immediately above and below the fractured bone at rest. Ample width is very desirable in a splint. A splint may be improvised from a broom or brush handle, piece of wood, paper firmly folded, or, in fact, anything that is firm long and wide enough. When these are not available, the body itself may be used as a splint, and the upper limbs may be fixed in various ways to it. The lower limbs may be fastened to one another. A general method for dealing with any fracture of the upper limb is carefully to remove the coat if possible; straighten the limb by gentle and steady extension; bend the elbow and lay the limb against the chest with the hand just touching the opposite shoulder. The hand may be fixed in this position by a bandage looped round the wrist and tied around the neck, taking care that there is no constriction at the wrist. The limb is then bound firmly to the chest by a broad bandage or similar method, the coat replaced and buttoned over the fractured limb. This method may also be used for fractures of the shoulder, blade and collar-bone. In the lower limb, if no splinting facilities are available, extend the broken limb and tie the ankles and feet together with a figure-of-8 bandage. If padding is available, pad between the legs. Fasten the knees together with a broad bandage. Bandage above and below the fracture.

GERALD

A Special meeting of the Gerald
Club was held on Friday afternoon at
the home of Mrs. G. Valless. Ten
members were present to help answer
the questions in the "Better Farm
Home Contest", which the Gerald
Club has answered. Many varied an-
swers were received for such questions
as "Where should your washing
machine be? What size do you want
your kitchen? What are the uses of
a utility room?" but after much dis-
cussion all questions were answered.
Then the ladies present enjoyed the
lunch which they had all helped to
provide.

Friday is also remembered as the
day when the much needed rain came
Many showers fell throughout the
day, and an even more beautiful one
at night.

Mrs. Gordon Greenway returned
last Sunday night from a week end
spent at her home in Edmonton.

Mrs. Greenway and the children of
the school have for sale a cook book
which they have compiled. Funds are
for the Junior Red Cross.

Mrs. Harold Dwyall and Mr. Keith
Christopherson are writing their
Grade IX departmental examinations
at Gerald school.

HEATH

Mr. Robt. Jones accompanied by
Earl Murray and A. Patterson motored
to Viking last Friday where they
attended the annual meeting of the
G.T.P. Livestock Shipping Assoc.
Mr. and Mrs. F. M. Ford were vis-
itors to Edmonton over the week-end
On Saturday they motored to St.
Albert where they attended the Red
Fox Cattle Breeders' Association
Annual Meeting and auction sale of
registered Red Fox cattle.

Mrs. Barbara Vail of Wainwright
spent the week-end visiting with
Norma Patterson.

Dorcas and Murray Challenger of
Edgerton spent several days at the
beginning of the week visiting at the
home of Mr. and Mrs. A. Patterson.

Temporary work has been done on
the bridge on the township line and
the Clear Lake road during the past
week. They are both now possible for
cars, but not for loaded vehicles.

Girl's Auxiliary

The June Silver Tea in the Parish
Hall planned by the Girl's Auxiliary
proved very successful on Thursday

afternoon.
The hall was beautifully decorated
with red and white peonies. Each
table was centred by a vase of roses.

The girls were all dressed in uni-
form, with their missionary badges
which they all worked very hard for
during the year. Mrs. G. Graham and
Mrs. T. Withnell presided at the tea
during the first part of the afternoon
with Mrs. O. Griffiths relieving them.

The tea will aid the girls who are
going to attend Kapaewin Camp on
Lake Wabamun.

The Girls Auxiliary want to thank
all those who contributed or helped
in any way to make the tea so success-
ful.

If any girls or boys are interested
in attending this camp, information
may be obtained from members of
the Girl's Auxiliary.

**Audrey Gardiner
Honored at Farewell**

Some twenty friends gathered at
the home of Mr. and Mrs. Dave G.
diner in Gilt Edge on Thursday even-
ing, June 24th, at a surprise party in
honor of Miss Audrey Gardiner who is
leaving the district shortly.

A social evening of games and con-
tacts was enjoyed by all followed by
a delicious lunch, after which Miss
Vera Arthur on behalf of the gather-
ing presented the guest of honor
with a handsome large suitcase and
best wishes for every success in the
future, for which she feelingly thank-
ed those present.

Audrey will commence duties on
June 28 in the Red Deer hospital.
